A petition was granted to organize a church on Florida Street, East Baton Rouge.

The Clinton church was granted permission to employ Rev. U. B. Cur-

rie as stated supply for six months.

The report of the Committee on Education brought forth an interesting discussion upon that subject. The trustees of Silliman Collegiate Institute were instructed to take immediate steps for the enlargement of the institution. The college attended the meeting of Presbytery all day Thurs-

day. Fine work is being done there this year by the new faculty.

Rev. J. F. McKenzie, of Lake Charles, La., was made chairman of the Home Mission Committee, and Rev. T. M. Hunter, of Baton Rouge, La., secretary and treasurer.

Rev. C. O'N. Martindale, of Crowley, La., was elected commissioner to

the General Assembly, and Rev. W. F. Tims, of Jackson, La., alternate.

J. W. Fields, of Zachary, La., was elected as the ruling elder commissioner, and D. M. Pipes, Jackson, La., alternate.

The next place of meeting is Oakdale, La. S. C.

Renew Your Health At Nature's Fountain

Without the Expense and Loss of Time
Necessary for a Visit to the Spring

THE CRISIS

INDIGESTION

RHEUMATISM

RENAL AND CYSTIC

There comes a time in the life of practically every man and woman when their digestive or eliminative organs, or both, fail to respond to drugs prepared by human skill. In fact drugs seem to do them about as much harm as good for their systems rebel against all drugs. These are the cases which physicians call "stubborn" and "chronic" for the reason that they persist in spite of drug treatment.

I do not refer to incurable diseases such as cancer and consumption, but to that larger class of functional disorders which we meet every day, where the organs of digestion and elimination are impaired.

For this class of cases our best physicians and our big city specialists send their wealthy patients to the mineral springs where, in the great majority of cases they are permanently restored or decidedly benefited. But what about the poor man who has not the money or the busy man or woman who cannot spare the time to spend several weeks or possibly months at a health resort? Shall circumstances deny them the restoration to health which Nature has provided?

Read my answer in the coupon at the bottom of this page.

I have the utmost confidence in the Shivar Mineral Spring Water for to it I owe my Restoration to Health and probably my Life. It has made me tens of thousands of friends in all parts of America and even in foreign countries, whose faces I have never seen. Yet I count them my friends for the Shivar Spring Water has bound them to me by lasting gratitude.

I ask you to read their letters, a few samples of which I publish below for your benefit, and if you find among them any encouragement as to your own health do not hesitate to accept my offer which has no limits or conditions except those shown on the coupon. If you could read the letters that come to me daily, numbering about ten thousand a year, and the vast majority of them similar to those printed below, you would not wonder that I make this offer displaying my absolute confidence in the restorative powers of Shivar Mineral Water.

Savannah, Georgia.
I was suffering with indigestion, stomach and liver disorders and all its train of horrifying phenomena for several months. I had lived on milk, soft eggs, shredded wheat, a very insufficient diet for an active working man, and, of course, from disease and starvation was in a very low state of nervous vitality and general debility. I ordered ten gallons of your Mineral Water which I used continuously, reordering when necessary, and in four months gained twenty-nine pounds, was strong and perfectly well, and have worked practically every day since. It acts as a general renovator of the system. I prescribe it in my practice, and it has in every instance had the desired effect. It is essential to use this water in as large quantities as possible, for its properties are so happily blended and in such proportion that they will not disturb the most delicate system. It is purely Nature's remedy.

La Grange, Ga., Nov. 25, 1914.
I feel it my duty to suffering humanity to make public announcement of the benefits I have derived from Shivar Spring Water. I have been a sufferer for the past twenty-five years from indigestion and nervous debility, and after drinking it for four weeks I gained fifteen pounds. I feel better and stronger than I have in twenty-five years. I strongly recommend this Water to any one with stomach trouble of any character, and truly believe it will cure ulcer of the stomach. I am writing this voluntarily and trust it will fall in the hands of many who are so unfortunate as to be afflicted with indigestion and nervous dyspepsia.

I wish to add my testimony to the wonderful curative powers of the Shivar Mineral Water. For a number of years my wife has been a sufferer from indigestion and nervous debility, and her condition had reached such a stage as to baffle the skill of our most eminent physicians. Her extreme nervousness and heart troubles at times were alarming and she had become almost a nervous wreck. The latter part of last May she began using the Shivar Water, which she has continued to this date with most satisfactory results.

DYSPEPSIA

Blaney, S. C.
I have suffered for many years from gastric troubles stomach puffed and food sour. I have tried many remedies and a good many waters. Some have helped, but none have given me such relief as your Spring Water. I use it and recommend it to my patients.

W. D. GRIGGSBY, M. D.

Baltimore, Md., April 30, 1914.
For many years I suffered with stomach trouble as a direct result of asthma. I consulted the very best specialist in this country, and spent quite a large sum of money in my endeavor to get relief. However, I had about come to the conclusion that my case was hopeless, but by accident I happened to get hold of one of your booklets, and decided to try Shivar Spring Water. After drinking the water for about three weeks I was entirely relieved, and since that time have suffered but little inconvenience from my trouble. I cheerfully recommend the use of your Water to any one that may be suffering from stomach trouble.

OSCAR T. SMITH,
Vice-Pres. Young & Selden Co., Bank Stationers.

Leads, S. C.
I have tested your Spring Water in several cases of rheumatism, chronic indigestion, kidney and bladder troubles, and in nervous and sick headaches, and find that it has acted nicely in each case, and I believe that if used continuously for a reasonable time will produce a permanent cure. It will purify the blood, relieve debility, stimulate the action of the liver, kidneys and bladder, aiding them in throwing off all poisonous matter.

C. A. CROSBY, M. D.

Fredericksburg, Va.
Mrs. Carter has had enlarged joints upon her hands, caused by rheumatism. Shivar Spring Water removed every trace of the enlargement.

I am anxious to get more of the Water. It has done me more good than anything I have ever tried for rheumatism.

MRS. H. C. EDWARDS.

Florence, S. C., Dec. 1, 1911.
I suffered with indigestion and kidney trouble, and a year ago was stricken with acute articular rheumatism; was helpless for months, and since using your Spring Water I am walking without any crutch and improving daily. Indigestion much relieved. I wish I could write Shivar Spring Water in the sky so that the world could become acquainted with it.

MRS. THEO. KUKER.

Warrenton, Va., Nov. 24, 1914.
It is doing my rheumatism so much good. My limbs are beginning to feel like new ones.

MRS. JAMES R. CARTER.

BILIOUSNESS

Greenville, S. C., Feb. 26, 1914.
For over two years, following a nervous breakdown, I have suffered with a liver so torpid that ordinary remedies were absolutely powerless. Under such circumstances, I came to Shivar Spring, and began drinking the Water. Upon advice, however, the first night I took a laxative; the second night a milder one. Since then I have taken none at all. The effect of the water has been remarkable—its action on my liver most marked, and my health and spirits greatly improved. I am satisfied that the laxative, followed by the Water, was the proper treatment in my case. My condition is now perfect.

S. A. DERIEUX.

Buena Vista, Va., Oct. 2, 1914.
It is a great pleasure to tell you that your Water has been a great benefit. I may say a great blessing, to me. My wife says it has helped me more than anything else I ever tried. I have been, for thirty years, a sufferer from stomach trouble.

LIVER AND KIDNEY

Ochopee, Ga., Aug. 21, 1914.
I feel that it is due you that I should give my testimony, unsolicited, as to the benefits derived from the use of your Shivar Spring Water. I was unable to do my work, and had been under the treatment of physicians for six months for kidney and liver troubles when I decided to try your Spring Water, and now after using it for about thirty days I am able to do my work, feel good, and have gained about twenty pounds. I most heartily recommend its use to all who suffer from disorder of the liver and kidneys.

M. L. STEPHENS.

Carlisle, S. C.
It is fine for liver troubles, also for constipation. I cheerfully give you this information as to beneficial results in my case.

RENAL AND CYSTIC

Columbia, S. C.
I suffered for eight years with kidney trouble and inflammation of the bladder to the extent that I would have to get up during the night some five or six times. After using this water only a few days, I am entirely relieved and suffer no more effect of the trouble whatever.

High Point, N. C., Oct. 6, 1914.
My wife has had a bad kidney trouble for several years. She has been using the water only about three weeks and it has already made her a new woman. Her color is much improved, her appetite is all that she could wish for, her digestion seems to be perfect. We give Shivar Springs credit for it all.

GALLSTONES

Greenville, S. C.
Shivar Spring Water cured my mother of gallstones, or, I might say, it snatched her from the hospital door, as the doctors had said nothing short of an operation would do her any good. After drinking the Water she was able to get out of bed, and is today stout and healthy. I hope these few lines will be of help to some one suffering as my mother did.

W. J. STRAWN.

Williamston, N. C., Oct. 3, 1914.
My doctor said I would have to be operated on for gallstones, but since I have been drinking your water I haven't had to have a doctor.

W. H. EDWARDS.

Columbia, S. C.
My wife was a chronic sufferer from gallstones. She was stricken critically ill, and nothing but morphine seemed to relieve her pain by rendering her unconscious. My physician, who is a good one, seemed to do very little good. Rev. A. J. Foster, pastor of Shandon Baptist Church of Columbia, S. C., advised me to take her immediately to Shivar Spring. On consulting my physician he agreed that it would be best to do so without delay. In about three days after arriving at the Spring she was apparently relieved and had regained her appetite. She has suffered no ill effect of the trouble since. Please publish this for the benefit of sufferers.
